

DISPOSABLE ISOLATION GOWNS

IMMEDIATE CAPACITY
AAMI Level 3

Essential Safety PPE disposable isolation gowns serve a wide range of functions that can better protect your health. Polyethylene suits offer an impervious barrier that will protect against the highest level of fluids.

These gowns are an apron-style with over-the-head neck, quick-rip neck line, waist ties and thumb lock wrists. Each unit is manufactured in a clean, climate-controlled environment that follows FDA Quality System Practices and are individually packaged in plastic bags.
